

PRAESIDIUM BACKGROUND SCREENING SERVICES FOR SOS SCHOOLS

Your first line of defense against sexual offenders is to keep them out of your private school. Deciding who has access to your students is one of the most serious decisions you make.

Praesidium's background screening services help ensure your staff and volunteers haven't been convicted of a crime and are who they claim to be. Industry best practices recommend that private schools check backgrounds of any employee or volunteer, including parents, who will work closely with students on a regular basis.

Praesidium's Confidence Package Includes:

- ✓ Multi-state criminal background check
- ✓ National sex offender registry check
- ✓ Social security number trace
- ✓ Alias search

Plus, consultation with a Praesidium expert to help you analyze and interpret the results.
